

'I have a dream' Prayers

Loving God,
we are your people.
We are called to freedom, courage and truth.
We thank you for your power in us
that will enable us to live a life of love and happiness.

Loving God,
we are your people.
We weep for the suffering of the world.
We would like to help where we can
to be at the side of those who are sad, frightened and oppressed.

Loving God,
we are your people.
From you we get hope and faith.
Your spirit fills us with energy and strength
that we can work with you to make this world a better place.

Loving God,
as your people we pray for an end to wars and violence.

We pray for the safety and the health of people.

We pray for help for the sick
and medicine for all who need it.

We pray for work for all
so they can earn their living.

We pray for food for all
so that all have enough.

We pray for school education for all
so that life of so many underprivileged people can improve!

We pray for good lives,
and ask you to be present in the life of each and everyone of us.

We pray for this community,
for this church and all the churches and religions around the world.
We pray for people who believe in you – no matter what they call you.

We believe and pray that we can help together
to hold fast to the great dreams of humankind
and to help to make them come true. Amen.
